Season Recap

The second year of Rhodes softball saw the Lynx grow into a team. A record of 11-14, while impressive for a second year program having a squad including seven freshmen, does not really indicate how the level of play improved throughout the season. Although a couple of wins came over first year programs, the Lynx also beat several established and very competitive teams, including Blackburn College, CBU (NCAA Div. II), and Mississippi College. Losing several games to inexperience, the Lynx competed in every game, losing a few of those games in the last inning.

The progress of the team can be marked by the last 11 games of the season, as the team went 8-3 during that time period. The conclusion of the year came with a 4-game sweep of SLIAC teams Principia and Blackburn on the road.
